

MacAvalanche & Mini Downhill Series R1

Friday 27th March

5:00pm – 8:00pm: Registration in the Bike Shop for Mini Downhill and MacAvalanche
(If you're able to register Friday evening, we strongly recommend you do so, as Saturday morning is expected to be busy with rider registration)

Saturday 28th March

7:00am – 8:30am: Registration in the Bike Shop for Mini Downhill and MacAvalanche

9:45am: Riders briefing for MacAvalanche and Mini Downhill under the Hub

10:00am – 12:00: Mini Downhill practice on Voodoo

10:00am – 12:00: MacAvalanche seeding stage

Important: After the seeding stage, riders **must** return their timing chip to the Bike Shop for download. Your timing chip must then be taken with you on the gondola for the MacAvalanche race or you will not be timed.

12:00: Gondola uplift opens for MacAvalanche

(If riders finish the seeding stage earlier, please head up to the Snowgoose Café.)

1:00pm – 2:00pm: Mini Downhill Series Round 1 race on Voodoo

We recommend riders push up early so they are ready to race when their time comes.

1:00pm: MacAvalanche riders to begin walking/pushing bikes up from the Snowgoose Café to the start line.

If riders feel they may take longer on the push up, we recommend leaving promptly at 1:00pm to allow enough time to reach the start line.

The quad chair will not be used this year, as the push up is the quickest and most efficient way to get all riders to the start in time.

There will be heli bags at the start line for riders who wish to leave extra layers or bags. These will be brought back down to the gondola base station.

Please note items are left at your own discretion.

2:30pm: MacAvalanche mass start for **mountain bikers / hardtail riders**

2:45pm: MacAvalanche separate mass start for **e-bikers**

E-bikers will start separately this year, with their own mass start taking place 15 minutes after the main MacAvalanche start.

3:30pm – 4:30pm: Prize ceremony for MacAvalanche and Mini Downhill

(This time may vary depending on the finish/start timing of MacAvalanche.)

After the racing

There will be music throughout the afternoon, and the Trails End Café & Bar will be open for food and drink, so come along, enjoy the atmosphere and celebrate the day's racing.
